

Nomeolvides[®]
By Ocho Design

We are a Mexican brand with Austin roots that is passionate about making invitations.

We design and assemble by hand your event invitations with love and attention to every detail. We are aware that the right invitation plays a very important role by making your guest feel welcomed and part of your very special event. Our invitations are windows to the past that make you remember that special moment for many years to come. An unforgettable day deserves the perfect invitation.

We offer trending designs and original templates.

Key points

- ✦ All our designs are *original and customizable*.
- ✦ *The samples on this catalogue are to be used as starting points to facilitate* your selection and explore their customizable possibilities.
- ✦ In order to ensure the quality and satisfaction of our products we need to have a minimum *of two months prior to your event date* (A month for design and a month for production).
- ✦ We require a *50% advance payment* in order to start the design phase of your invitation.
